1. It is my desire to become associated with the Rogue Valley Softball Association, an incorporated nonprofit entity with established bylaws. I Agree to be bound by any rules or regulations that may be adopted by this Association.

2. The game of softball is an inherently dangerous sport, e.g., hit by a bone crushing softball, hard sliding, diving/falling for a softball, running the bases, etc. The legal doctrine of "assumption of the risk" bars you from trying to hold fellow participants or property/facility owners liable when you are injured while playing a sport or game, as long as the circumstances that led to your injury were inherent to -- or at least reasonably related to -- the sport. The idea behind "assumption of the risk" in this context is that, by agreeing to participate in the sport or activity, you've also agreed to assume the possibility that you'll be injured.

3. I am voluntarily participating in playing and/or practicing the game of softball with RVSA. I understand that there are risks associated with my participation in this activity as described in paragraph 2. Nonetheless, I assume all risks of my participation in this activity, whether known or unknown to me.

4. I agree to indemnify, defend, and hold the RVSA, its directors, officers, and members from any and all claims, actions, suits, procedures, costs, expenses, damages, and liabilities including, but not limited to attorney's fees, arising from, or in anyway related to, my participation in the activities of playing and/or practicing the game of softball.

5. I acknowledge I have read and understand the above assumptions of risks and indemnity agreement, and I am, therefore, expressly waiving any rights to sue the RVSA, its directors, officers, or members and I release them from any liability resulting from any personal injury resulting in playing and/or practicing the game of softball.

Please read the RVSA conduct policy:

Unsportsmanlike Conduct: Unsportsmanlike conduct includes, but is not limited to, the failure to accept the decisions of the umpire or team manager, taunting or degrading an opponent or teammate, abusive or profane language, or any other demeaning language or act that could be considered unsportsmanlike. Any player engaging in unsportsmanlike conduct or failing to abide by RVSA and SSUSA rules is at risk of ejection from a game. Extreme, excessive, or repeated instances of unsportsmanlike conduct or failure to follow established rules could result in suspension and/or termination from the RVSA. All such acts will be reviewed by the RVSA Board of Directors who will render the decision to either suspend or terminate from the RVSA.

I understand and will abide by the language of the conduct policy. **Signature** _____
