**Note: Only one game on 10/1**

October 1 is the last scheduled game of the season. After the first game everyone is to meet at Wild River Brewery for our annual fall meeting. This meeting is very important as new officers will be elected along with any rule or equipment changes. Members present will be voting on any changes for the 2026 season.

10/8 Pick-up games begin this week and continue weekly as long as weather and player interest allow.

Batting practice will continue through the fall and winter on Tuesday and Thursday starting at 11:00 am or earlier and continue until we start all over again in the spring.
